Besides, in forwarding the bills on this account for each quarter from April 1930, the Residency has been informed that Supplemental bills would be forwarded claiming the amounts due on account of these indirect charges, after the question under correspondence relating to their payment is finally decided. From this it seems to be clear that the Govt's claim on account of the indirect charges should be

4 & custody

The cost on account of the maintenance of lunatics and lepers of the C.P.H. Station in our Mental Hospital is being claimed on quarterly bills. It was noticed sometime back that the method of calculation did not comprehend certain legitimate items debitable to the Station & on 19/1/1930, the Residency was informed that these items are also proposed to be included in arriving at the cost of maintaining the lepers & the lunatics including those in the Station in future. On July 1931, the Residency was again informed that "Supplemental bills will be forwarded later claiming the amount due on account of these new items". - - - - ".

4 In the draft put up, separate bills are proposed to be sent to the Residency only for the British offl. year 31-32 i.e. for the period from 1st April 1931 to 31st March 1932 and no reference is made to the arrear claim — the difference between the old rates sanctioned & the revised bills as proposed — It appears reasonable to prefer claims to the benefit of the revised calculations from 19-1-1930 or from the quarter beginning from January 1930. In this view, the Supplemental bills have to

GENERAL MISCELLANEOUS BRANCH 694 25 JULY

From

Major G. Loch,

SECRETARY TO THE RESIDENT IN MYSORE.

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore.

Ch. Secy's Letter

Bangalore, the 24th July, 1930.

Charges paid to the Government of Mysore in respect of the maintenance of the Civil and Military Station patients confined in the Mental Hospital and Leper Asylum of the Mysore State.

Sir,

I am directed to refer to your letter No.Pol.793/Medl. 214-28-7, dated the 20th January, 1930, and to inform you that the sanction of the Government of India would be necessary to the expenditure involved by the inclusion in the payment made to the Government of Mysore of certain new charges in respect of the Civil and Military Station patients confined in the Menta Hospital and Leper Asylum of the Mysore State.

2. I am, therefore, to request that certain further information* on the subject may kindly be furnished so that the matter may be recommended to the Government of India.

as indicated in the enclosed statement.

This information is available.

3. I am to enquire what approximately will be the additional expenditure per head of the patients by the inclusion in the cost of their maintenance of their share of the cost of European medicines.

4.

4. I am also to enquire how it is proposed to arrive at the charge (i) for the maintenance of buildings to be debited to the Civil and Military Station and (ii) on account of the pension allowance of the staff.

I have the honour to be,
Sir,
Your most obedient servant,

G. Loch

Major,
SECRETARY TO THE RESIDENT.

SIR,

With reference to your No.G.9531/Med.40-30 dated 13-3-31, I have the honor to state that the opinion of the Comptroller in the matter of maintenance charges of the patients of the Leper Asylum and MentalHospital hasjust been received (vide No.554A.ii. dated 12-3-31 copy enclosed) The Superintendents of the Institutions concerned have been asked to forward two fresh statements (1) based on the actual charges incurred during the last quarter in 1930 and (2) the other on the average charges of three years ending 1930. On receipt of the statements a further communication will be made to Government.

Letter No.554/A.ii dated 12th March 1931 from the Comptroller in Mysore, Bangalore to the Senior Surgeon in Mysore.

With reference to your letter No.G.C.609 dated 19th January 1931, forwarding details showing the basis on which, the average cost of maintenance of patients in the Mental Hospital has been arrived at, in preparing the statement of present and proposed cost as required by Government, I have the honor to state that it will not, I think, be correct to include in the proposed scale the cost of maintenance of patients based on the actual charges incurred in 1928, instead of actual charges for the latest period, say for 1930. If it is the intention of Government to recover from the Civil & Military Station a fixed sum as in the past, irrespective of the actual charges, it willbe necessary to take to average charges for a period of two or three years. If on the other hand Government approve of my suggestions of calculation (Vide letter No.112/A,ii. dated 29th August 30) based on actual charges for each quarter, the calculations have to be made as indicated in my letter in detail.

In the case of charges on account of maintenance of buildings rents have to be calculated at 7% per annumon the capitalcost of the Building instead of 6% as already intimated since the rates have been revised in Government Order No.P.W.1157-1223/6775-6821 dated 5th November 1930.

The enclosures received with yourletter are herewith returned.

Letter No.245/TAD.A.II, dated 23th September 1931, from the Comptroller in Mysore, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

With reference to correspondence ending with your letter No.G.C.60 dated 2-9-1931 regarding the revision of rates of recovery of maintenance charges of Mental patients and lepers of Civil and Military Station, Bangalore, treated in the Mental and Leper Hospitals, Bangalore, I have the honour to enclose herein a statement showing the present and proposed rates of cost prepared in accordance with the instructions contained in Government Order No.G.253-5 Med214-28-12 dated 8-7-1930 and Chief Secretary's letter No.G.1250/Med.40-30-2 dated 31-7-1930. The proposed rates include all the incidental charges referred to in the above Government Order and the figure have been worked out based on the average expenditure under the above heads during the last 3 years (from 27-28, 28-29, and 29-30).

2. In this connection I may state that it would be convenient to adopt a fixed basis of recovery of cost for each patient and the rates shown in the statement may be fixed for about 3 years in the first instance subject to revision, if necessary, at the end of that period. This will also save much clerical work in preparing the figures every quarter with reference to actual expenditure which will vary every quarter. If you agree, you may obtain the necessary sanction of Government for adoption of the rates as noted in the statement.

Indirect charges in the case of Mental Hospital, Bangalore.

SIR,

With reference to your letter No. Pol.645/Med.40-30-25, dated the 6th January, 1933, I am directed to point out that, from the statement received from the Superintendent, Mental Hospital, it appears that an estimate of 7 per cent on the Capital cost of Rs.1,60,000/- or Rs.11,200/- per annum or Rs.2,800/- a quarter, is the basis adopted and not the actual cost of maintenance. I am, therefore, to request that, if there is no objection, the indirect charges in the case of the Mental Hospital may kindly be worked out on the basis of actuals as in the case of Leper Asylum.

2. The bills for the year 1931-32 received with your letter No. Pol.230/Med.40-30-21, dated the 29th August, , 1932, are returned for revision, if necessary. I am also to enquire when the revised bills for the year 1930-31 referred to therein may be expected

3. The favour of a very early reply is requested.
